

MAISEMORE HOUSEHOLD EMERGENCY PLAN

Emergencies can affect the community with little or no notice. Being prepared can help reduce the effects on your family's lives, reduce the need for support from others, and enable you to support the vulnerable in your community.

Disruption to essential services such as water electricity and telecoms, and to regional and national travel are all ways an emergency can affect our everyday lives.

Complete the following sections and keep this document in a safe place which all your household can easily access (eg next to your main telephone)

If you are not involved in an incident, but are close by or believe you *may* be in danger, in most cases the advice is :

GO IN ! STAY IN! TUNE IN!
